SUMMARY

An experienced dentist with over 5 years of experience providing superior patient care. Possess a strong ability to adapt to a fast-paced environment, with a commitment to staying current with the latest trends in dentistry. Exceptional communication skills with a patient-centric approach, as seen from my past experiences at Bright Now! Dental and Western Dental Services.

EXPERIENCE

Lead Dentist 2017 - Present

Bright Now! Dental San Jose, CA

Managed a team of dental professionals and provided superior dental care to patients

- Provided comprehensive dental care to an average of 30 patients daily, promoting oral health and hygiene
- Developed and implemented a patient care strategy which improved patient satisfaction by 20%
- Supervised a team of 4 dental hygienists, promoting best practices and quality patient care

General Dentist 2015 - 2017

Western Dental Services San Jose, CA

Provided thorough dental evaluations and designed individual treatment plans

- Initiated the use of digital radiography leading to a 30% improvement in diagnostic accuracy
- Increased patient base by successfully promoting and conducting cosmetic dentistry treatments
- Collaborated with a team of orthodontists, endodontists, and periodontists to coordinate patient care

Associate Dentist 2013 - 2015

Comfort Dental San Jose, CA

Executed dental procedures and assisted the lead dentist in complex cases

- Assisted in over 200 complex dental procedures, improving my practical skills
- Introduced an advanced patient management system, enhancing appointment tracking and follow-up
- Conducted over 500 general dental procedures, including fillings, root canals, and extractions

EDUCATION

Doctor of Dental Medicine (DMD) 2010 - 2013

University of California, San Francisco San Francisco, CA

Bachelor of Science in Biology 2006 - 2010

University of California, Davis Davis, CA
