SUMMARY

An Associate Dentist with over 14 years of experience working in dental settings. Focused on educating all my patients on preventative care and providing high-quality dental treatment.

EXPERIENCE

Associate Dentist

Dufour

2017 - Present Phoenix, AZ

Dufour is a dental clinic specializing in prevention and whitening

- Examining the teeth and gums of 20+ patients daily
- Formulating 100% accurate diagnoses
- Prescribing treatment and prevention plans for both children and adults
- Keeping extensive records for every patient
- Providing routine cleanings that resulted in 30% less cavities
- Administering local anesthesia when required
- Performing teeth whitening using innovative techniques that are 100% risk-free

Associate Dentist

Rau-Ward

2011 - 2017 Phoenix, AZ

Rau-Ward is a large dental clinic in Phoenix

- Performed extractions, dental fillings, and tooth decay treatments to clients aged 20-65+
- Performed 100% free oral cancer screenings twice a year
- Advised patients on good oral hygiene practices
- Ensured all instruments are sterilized prior to every appointment
- Updated patient records and ensured they are up-to-date
- Performed endodontic treatments that led to a 70% decrease in lost teeth for my patients

Dental Assistant

White Smile

2008 - 2011 Chicago, IL

White Smile is a privately owned dental clinic in Chicago, IL

- Took and exposed up to 10 X-rays per day
- Scheduled appointments and ensured a 77% decrease in wait-time
- Filed patient records and updated them regularly
- Disinfected all instruments and equipment before and after every appointment
- Assisted 2 dentists in emergencies
- Maintained inventory and placed orders when needed
- Worked 1 year while studying full-time

Doctor of Dental Medicine

University of Illinois Chicago

2005 - 2009 Chicago, IL

B.S. Biology

Loyola University Chicago

2001 - 2005 Chicago, IL

STRENGTHS

-  **Attention to Detail**
Prescribing treatment and performing different dental procedures requires all professionals to have laser-like focus
-  **Patience**
Always ready to provide support and hear my patients out
-  **Preventative Care**
Focusing on preventative care rather than treatment work miracles for 100% of my clients
